

Бизнес по управлению историческими активами

An exceptional opportunity to acquire a well-established, CySEC regulated heritage asset management business.

Key points

Regulatory Compliance: As a CySEC-regulated organization, the company adheres to the highest standards of compliance and governance, ensuring investor confidence and operational integrity.

Robust AUM: With an AUM of €450 million, the business has demonstrated its ability to attract and manage significant client assets, providing a stable foundation for continued growth and profitability.

Strong Revenue Stream: The company's annual revenue of €2 million reflects its effectiveness in asset management and client retention, as well as its diverse portfolio of investment strategies that meet the diverse needs of investors.

Market Position: Established in the competitive asset management landscape, the firm enjoys a significant market position, building on a loyal client base and strong relationships with institutional and retail investors.

Growth Potential: As the asset management industry continually evolves, numerous opportunities exist for expansion, including introducing new investment products, targeting additional market segments, and leveraging technological advancements to improve service quality and client engagement.

This historic asset management business is an ideal acquisition for investors or firms looking to expand their portfolio in the asset management sector. With a proven track record, robust financials, and regulatory support, this opportunity is well-positioned for continued success and expansion in the dynamic investment landscape.

The information contained herein does not constitute an offer to sell or a solicitation of an offer or a recommendation to purchase securities under the securities laws of any jurisdiction, including the United States Securities Act of 1933, as amended, or any US state securities laws, or a solicitation to enter into any other transaction

The projected financial information contained in the Memorandum is based on judgmental estimates and assumptions made by the management of the target Company, about circumstances and events that have not yet taken place. Accordingly, there can be no assurance that the projected results will be attained. In particular, but without prejudice to the generality of the foregoing, no representation or warranty whatsoever is given in relation to the reasonableness or achievability of the projections contained in the Memorandum or in relation to the bases and assumptions underlying such projections and you must satisfy yourself in relation to the reasonableness, achievability and accuracy thereof.

By delivering this Memorandum, neither MergersUS Inc., nor its authorized agents are making any recommendations regarding the acquisition or strategies outlined herein. Interested parties shall exercise independent judgment in, and have sole responsibility for, determining whether an acquisition of the Company is suitable for them, and neither MergersUS Inc, nor its authorized agents have responsibility to, and will not, monitor the condition of interested parties to determine that an acquisition is or remains suitable for them. Among other things, suitability of an acquisition will depend upon an interested party's investment and business plans and financial situation.

This document is prepared for information purposes only. It is made available on the express understanding that it will be used for the sole purpose of assisting the recipients to decide whether they wish to proceed with a further investigation of the Proposed Transaction.

The recipients realize and agree that this document is not intended to form the basis of any investment decision or any other appraisal or decision regarding the Proposed Transaction, and does not constitute the basis for the contract which may be concluded in relation to the Proposed Transaction.

All information contained in this document may subsequently be updated and adjusted. MergersUS Inc. has not independently verified any of the information contained herein or on which this document is based. Neither the Company, nor its management or shareholders, nor MergersUS Inc. , nor any of their respective directors, partners, officers, employees or affiliates make any representation or warranty (express or implied) or accept or will accept any responsibility or liability regarding or in relation to the accuracy or completeness of the information contained in this document or any other written or oral information made available to any interested party or its advisers. Any liability in respect of any such information or any inaccuracy in or omission from the document is expressly disclaimed.
