

Золотодобыча, разведка "Ридли Лэйк"

Золотодобыня, разведка "Ридли Лэйк"

Проект Ridley Lake Gold состоит из 196 смежных непатентированных одиночных ячеек и граничных заявок на добычу, в которых Ричмонд владеет 100% – ой долей. Проект расположен в центре Зеленокаменного пояса Суэйзи на севере центрального Онтарио в поселках Ролло и Рэйни, в горнодобывающем подразделении Porcupine, или, более конкретно, в 40 км к юго-западу от города Фолейет и в 120 км к западу-юго-западу от города Тимминс.

Недавние значительные открытия золота в рамках SGB включают месторождение Кот-Лейк (приобретенное lamgold в апреле 2012 года за 585 миллионов долларов) и зондовые рудники Borden Lake gold discovery (недавно приобретенные Goldcorp за 526 миллионов долларов), многомиллионное месторождение золота в унциях, расположенное примерно в 23 милях к западу.

- Ранние разведочные работы на объекте датируются разведкой 1932 года. В центральной зоне собственности были обнаружены две кварцевые жилы (Сирил Найт и Агуара), имеющие тенденцию к ориентации с востока на запад. Эти жилы были обнажены на поверхности для длины удара до 245 м, с шириной от 1 до 3 м. Анализ из этих жил были весьма вариабельными, с сортами в диапазоне от следовых значений до 23 г/т золота (0,7 унции на тонну).

- К Проекту можно получить круглогодичный доступ по сети лесозаготовительных и кустарниковых дорог, и он лежит в основе части основной последовательности ранних докембрийских вулканов и отложений, называемых вулканическим комплексом Суэйзи или метаволкано-метаседиментационным поясом Суэйзи – Делоро.

- Золотое оруденение, обнаруженное в результате алмазного бурения на сегодняшний день в рамках проекта, связано с различными геологическими особенностями, которые включают развитие зоны сдвига, системы кварцевых карбонатных штокверков и контакты между фельзитовыми и мафическими потоками.

The information contained herein does not constitute an offer to sell or a solicitation of an offer or a recommendation to purchase securities under the securities laws of any jurisdiction, including the United States Securities Act of 1933, as amended, or any US state securities laws, or a solicitation to enter into any other transaction

The projected financial information contained in the Memorandum is based on judgmental estimates and assumptions made by the management of the target Company, about circumstances and events that have not yet taken place. Accordingly, there can be no assurance that the projected results will be attained. In particular, but without prejudice to the generality of the foregoing, no representation or warranty whatsoever is given in relation to the reasonableness or achievability of the projections contained in the Memorandum or in relation to the bases and assumptions underlying such projections and you must satisfy yourself in relation to the reasonableness, achievability and accuracy thereof.

By delivering this Memorandum, neither MergersUS Inc., nor its authorized agents are making any recommendations regarding the acquisition or strategies outlined herein. Interested parties shall exercise independent judgment in, and have sole responsibility for, determining whether an acquisition of the Company is suitable for them, and neither MergersUS Inc, nor its authorized agents have responsibility to, and will not, monitor the condition of interested parties to determine that an acquisition is or remains suitable for them. Among other things, suitability of an acquisition will depend upon an interested party's investment and business plans and financial situation.

This document is prepared for information purposes only. It is made available on the express understanding that it will be used for the sole purpose of assisting the recipients to decide whether they wish to proceed with a further investigation of the Proposed Transaction.

The recipients realize and agree that this document is not intended to form the basis of any investment decision or any other appraisal or decision regarding the Proposed Transaction, and does not constitute the basis for the contract which may be concluded in relation to the Proposed Transaction.

All information contained in this document may subsequently be updated and adjusted. MergersUS Inc. has not independently verified any of the information contained herein or on which this document is based. Neither the Company, nor its management or shareholders, nor MergersUS Inc. , nor any of their respective directors, partners, officers, employees or affiliates make any representation or warranty (express or implied) or accept or will accept any responsibility or liability regarding or in relation to the accuracy or completeness of the information contained in this document or any other written or oral information made available to any interested party or its advisers. Any liability in respect of any such information or any inaccuracy in or omission from the document is expressly disclaimed.
